create new user account

El usuario recibirá un mail de notificación con el nombre de usuario y contraseña temporal para acceder al portal

Microsoft

A user account has been created or modified You can now distribute this information to your user

The following list contains temporary passwords for newly created or modified user accounts.

Please note:

- When distributing IDs and passwords to individual users, be sure to do so in a safe and secure manner.
- Temporary passwords are valid for 90 days

User Name: johnsmithIM@alisonbosch.onmicrosoft.com Temporary Password: Doco0579

Once your end users have successfully signed in with their temporary passwords, they can create new passwords by following the instructions on the sign in page.

Go to the sign-in page, https://portal.office.com

Se le pedirá al usuario que cree una nueva contraseña

Update password You must update your password because this is the first time that you've signed in or your password has expire User ID: johnsmithIM@alisonbosch.onmicrosoft.com * Old password: 	odate password u must update your password because this is the first time that you've signed in or your password has expired. er ID: InsmithIM@alisonbosch.onmicrosoft.com I/d password: ew password: onfirm new password:	JIIICE 305
